Applications for membership can be made to any of the Trustees, or the Curator, and members are now requested to pay their annual dues to Mr. Latimer at the gallery.

NOTICE I

The Illustrations in this issue of the Catalogue have been kindly furnished by *Artists resident* in Brooklyn, and to the majority of whom the preliminary process was an experiment. Though necessarily done in haste, the artists feel encouraged to do more important work in future.

The reproductions from the Pen and Ink Drawings, are by the Moss Engraving Company, and the Printing of the Illustrations, by Messrs. Francis Hart & Co., both of New York.

The pictures illustrated have special tickets with the added number*.

In the dimensions given, the height is put first.

The Hanging Committee call the attention of buyers particularly to those pictures with Price annexed, also those marked FOR SALE, in this catalogue. The Association is largely indebted to the Artists for their liberal contributions to its exhibitions, and the Officers hope that the appreciation of the public may be shown by increased sales from the present collection.

The prices not printed in this Catalogue may be had on application to the Curator, Mr. H. R. Latimer, who will receive offers in the interest of Possessor and Applicant.

THE FREE SCHOOLS OF DESIGN.

The Art School of the Association for study of the Antique under the charge of Prof. Geo. O. Annable, and that for Study of Local Life Character, under charge of Prof E. J. Whitney, held during the Winter, have been closed.

To support these Schools, and also to add to the attractiveness of the Free Exhibitions, it is deemed desirable by the Trustees to largely increase the Membership of the Association.

Arrangements are being made for a more perfect ventilation of the GALLERY, which, when not occupied by EXHIBITIONS, MAY BE RENTED FOR CONCERTS, LECTURES, ETC. Application may be made to the Curator.

Children under fifteen years of age will not be admitted unless accompanied by their parents or guardians.

Hanging Committee of the Present Exhibition:

R. W. HUBBARD,

J. M. FALCONER.

JOHN A. PARKER.
